INTERESTS

Kickboxing - I have travelled all around the UK and also to Europe to participate in competitions. In 2006 I won the Welsh Championships and also the 2006 British Championships, and then in 2007 I won the English Championships. I represented Wales in the 2006 World Championships held in Athens, Greece where I came third.

Territorial Army - Since 2011 I have been an active member of the 53 Welsh Signal Squadron. Here I am required to have a delicate attention to detail with everything I do. I have done many separate courses with the Territorial Army that have allowed me to further my knowledge with physical and mental activities.

As a hobby, I create websites from time to time. My most recent website was created for a wedding. <http://laurenandlewys.co.uk/>
